CERTIFICATES OF CHARACTER.

SURETY COMPANIES.

ARE YOU LOOKING FOR A POSITION? DO YOU REALIZE THE VALUE OF GOOD REFERENCES?

The better your references the more chance you have. A certificate of good character from a reliable surety company is the most valuable reference you could possess. It eliminates, indeed, the necessity for any other references. The Fidelity and Casualty Company of New York has been issuing fidelity bonds for more than 40 years. To persons whose character and career will bear rigid investigation it will issue a CERTIFICATE OF CHARACTER evidencing that fact and its willingness to bond the person. What better credentials could an applicant for a position possess? Write or call for full information.
